

**Moon Lake Electric Association, Inc.**  
**Preliminary Request for Electrical Information**  
**RESIDENTIAL LOAD DATA SHEET**

Architect/Engineer/Contractor: \_\_\_\_\_

Date: \_\_\_\_\_

Please submit this completed form for each building to be served by Moon Lake Electric Association, Inc., for which you are preparing the electrical design specifications and plans. With this requested data, Moon Lake Electric will reply to you, giving the necessary electrical service information for you to complete your design.

Your Name: \_\_\_\_\_

Email: \_\_\_\_\_

Address: \_\_\_\_\_

Total Square Foot: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

Phone Number: \_\_\_\_\_ Fax: \_\_\_\_\_

Anticipated date for temporary electrical service: \_\_\_\_\_

Anticipated date for permanent electric service: \_\_\_\_\_

**Description of New Electrical Loads**

| <u>New Equipment</u> |             | <u>Load</u>    |
|----------------------|-------------|----------------|
| HVAC                 | Tons: _____ | _____ Total kW |
| Electric Heat        |             | _____ kW       |
| Water Heater         |             | _____ kW       |
| Lighting             |             | _____ kW       |
| Outlets              |             | _____ kW       |
| Kitchen Equipment    |             | _____ kW       |
| Washer/Dryer         |             | _____ kW       |
| Boiler               |             | _____ kW       |
| Snow Melting         |             | _____ kW       |
| Welders              |             | _____ kW       |
| Future Equipment     |             | _____ kW       |

**Service Desired from Moon Lake Electric Association**

Customer Main Electrical Panel Size: \_\_\_\_\_ Amps

Secondary Service: Underground: \_\_\_\_\_ Overhead: \_\_\_\_\_

Desired Location of Meter: \_\_\_\_\_

**Failure to completely fill out load data sheet may cause delays in electrical service installation.**
